## Crosstown™ Glass Rim Sinks

The contemporary kitchen is more than a place to cook – it's the hub of the home, where conversations are sparked and family and friends are drawn together.

Crosstown glass rim sinks merge alluring aesthetics with urban design, helping create an atmosphere where days and nights will be celebrated and warmly remembered.

- Decorative, black glass rim pairs well with today's glass cooktop appliances
- Constructed of durable tempered glass
- 15mm (5/8") corners for easier cleaning
- Made from 18 gauge nickel-bearing stainless steel with polished satin finish
- Sound Guard® undercoating dampens sound and reduces condensation
