

Canto Vessel Lavatory
20-1/8" x 16-1/8"

FOR IMMEDIATE RELEASE:

SINK INTO STYLE

ICERA and St. Thomas Creations Unveil Elegant New Vessel Lavatory Sinks to Compliment Popular Bathroom Suites.

(Los Angeles, CA – September 1, 2016) ICERA and St. Thomas Creations are proud to introduce three new vessel lavatory sinks to their line of quality bathroom furnishings. Each product in the extensive ICERA/St. Thomas Creations Collection is created to be part of a complete suite, coordinated with the entire bathroom in mind. Designed with a contemporary look in mind, the distinctly stylish additions are destined to be stand-outs in the company's already popular lines.

The **CANTO** from St. Thomas Creations is a medium-sized vessel sink with canted walls and a sculptural shape that is elegant and classic. Designed to match the understated simplicity of Canto one-piece toilet this new vessel has a transitional look at home in both modern and traditional dwellings.

The medium-sized **KARO** vessel sink from the ICERA line features a rectangular profile softened by a gently sloped inner basin. Inspired by modern architectural design, the Karo vessel is the perfect complement to the Karo one-piece toilet, combining to bring a bold simplicity to the bathroom.

The **VISTA** vessel sink from ICERA is available in both medium and petite sizes and features sleek vertical walls, subtly rounded corners and a smooth rectangular basin. The model matches the new Vista II toilet to create a decidedly modern look that is sleek and sophisticated.

All three new vessel models are crafted in vitreous china and coated with ICERA's anti-microbial MicroGlaze™. The sinks, available in traditional white, retail starting at \$180 and are backed by a Limited Lifetime warranty. Available September 2016 in premium bath showrooms nationwide.
