Suggested Resale Price Bulletin

Effective as of April 1, 2015

Dear Dornbracht Customer:

Please note that effective April 1, 2015, for a resale price to be in compliance with Aloys F. Dornbracht GmbH & Co. KG's suggested resale price, it shall be no lower than 30% off of the Manufacturer's Suggested Resale Price (MSRP).

For products and systems using Dornbracht's proprietary Ambiance Tuning Technique (ATT), the resale price should not be lower than 10% off of MSRP.

Please note that this Suggested Resale Price Bulletin is being issued in conjunction with Aloys F. Dornbracht GmbH & Co. KG's Unilateral Resale and Advertising Price Policy ("URAPP") effective April 1, 2015, and customers of Aloys F. Dornbracht GmbH & Co. KG are urged to carefully review that Policy.
